Summer Suggestions

Enjoy and spend time with your family!

Make a To Do list: create a plan, schedule time to do each item, check them off, make a video diary of your summer. (This will teach organization skills and time management)

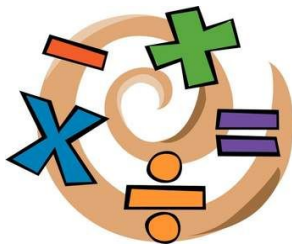

Read for fun: Choose books of interest, visit the library, try audio books

Write stamped

letters to people you care about. Include a return envelope.

Keep a journal

Practice your addition, subtraction, & multiplication facts

Have a lemonade stand: create a business plan including expenses, revenue, and profit

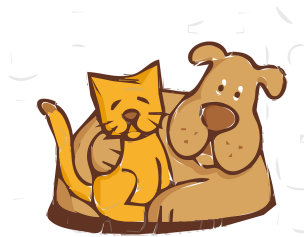

**Practice keyboarding
Try coding**

Help around the house and yard, learn to do chores

**Volunteer to help around your community: help a neighbor, the
animal shelter, or food pantry**

**Practice opening a combination lock
(see Youtube) [opening your locker video](#)
[quick locker tutorial](#)**
